Dear Esteemed Colleagues

INVITATION TO ATTEND THE 5TH NATIONAL ICT SUMMIT 2018

Namibia will be celebrating the anniversary of 5th National ICT Summit under *"the theme Digital Transformation for an ICT Smart Namibia"* and the Ministry of Information and Communication Technology is therefore pleased to invite you to the 5th National ICT Summit. The summit will be held on the 15–17 October 2018, at Safari Hotels, Windhoek, Namibia.

The annual National ICT Summit presents unique opportunities to the policy makers, ICT experts, academicians, students, entrepreneurs and ICTs innovators to reflect, understand and share knowledge on trends in the ICT sector. The Summit further creates a platform for networking, raising awareness of ICT usage, projects and initiatives, and discuss possible solutions to the challenges facing the industry. It is against this background that this Ministry invites your institution to be part of this National event.

Kindly confirm participation by registering online on the website address: www.ictsummit.gov.na by Friday, 12th October 2017. The Summit programme will be available on the website address provided above.

Yours Sincerely,

Ms. Eruai Kaambo
Acting Permanent Secretary
